

Rotorcraft Safety Seminar

Loss of control and pilot deviations: bad things that can happen to good pilots! This seminar will focus on preventing them—and how the FAA supports general aviation rotorcraft operations.

Don't miss this exclusive event. Click on the link below and register TODAY.

Directions: From DC or Baltimore: Take I-95 or 295 to Route 32 East. From MD Route 32 take Exit 8 (across Rt 32 from the NSA) to MD Route 198 toward Laurel. Upon exiting the traffic circle onto Rt 198, take a left onto Airfield Road (look for the traffic light.) At the end of Airfield Road, take a left onto General Aviation Drive. We are located in Hangar 84, the 3rd building on your right (the second hangar on your right.) There will be a sign at the edge of the parking lot with our address, 7505 General Aviation Drive. From Annapolis: Route 97 merges to Rt 32 - follow it West to Exit 8, then follow directions above.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
